INTERDISCIPLINARY NATIONAL CONFERENCE ON

“Intervention of Science and Technology, Social Problems and Sustainable Development”

17th June, 2018

-Organized By-

Department of Humanities and Social Sciences
Visvesvaraya National Institute of Technology
Nagpur, Maharashtra (India).Pin 440010
www.vnit.ac.in

About the Institute-

Visvesvaraya National Institute of Technology (VNIT), Nagpur is esteemed institute and located in Maharashtra, in central India. An eminent engineer, planner and statesman of the country, Bharat Ratna, Sir Mokshagundam Visvesvaraya established it in the year 1960. The institute is centrally-funded and belongs to the National Institutes of Technology (NIT) system. In 2007, the institute was conferred the status of Institute of National Importance by an Act of Parliament of India. The institute awards Bachelor's, Master's and Doctoral degrees in various disciplines.

VNIT, Nagpur has been extending advanced technological skills and expertise to enhance research, teaching, academic activities with highly qualified faculty in various departments. Institute has collaboration with various reputed research /academic National and International Organizations.

About the Department of Humanities and Social Sciences-

Department of Humanities and Social Sciences is one of the important and basic departments of VNIT, Nagpur which focus the education of human values, communication skills, soft skills and overall personality development of the students. The Department offers various core subjects like Communication Skills, Psychology and Management with Social Sciences. Department also conducts the Ph.D programmes in the subject of English, Psychology, Sociology and Economics.

About Conference-

The objectives of the conference are to highlight the contributions that academia can make in the fields of public policy and social issues. With intensive research, projects, science and technology would have interaction with the society. The academia is equipped to rethink and revitalize and provide a rational critique in these spheres and provide implementable solutions.

This conference envisages providing a platform for experts and young researchers, academicians from across the discipline to come together, deliberate upon and express their ideas and views regarding the contributions that they can make for nation building. The aim of this national conference is to promote and involve the researchers, scientists, academia, educators, practitioners, research scholars and students to exchange and share their experiences, new ideas and research results about all aspects of science and technology, social issues and sustainable development. This national conference has interdisciplinary approach seek to explore and exchange knowledge from various disciplines.
