

Smart Plantation by VNIT Nagpur

TNN | Updated: Jan 29, 2018, 16:18 IST

A Self-Watering Tree Plantation Drive was recently organised by Entrepreneurship Cell, VNIT in association with Rakshak by Rainbow Greeners.

The self-watering tree guards ensure that water directly goes to the roots of the plant, and needs water only once every fifteen days. Dipesh Ajmera, also attended the event to show his support.
