Call for the position of Junior Research Fellow for the DST SERB Project on

Design and Development of an Experimental Test Bench Setup of Electric Vehicle

Reference:

ECR/2017/001306/ES

Applications are invited from motivated and eligible candidates for the position of Junior Research Fellow (JRF) for the Department of Science and Technology (DST-SERB), MHRD funded research and development Project on “*Design and Development of an Experimental Test Bench Setup of Electric Vehicle*”.

Essential Qualification

M.Tech/M.E. (qualified GATE) with thesis in the area of power electronics based system.

Desirable Qualification

Analytical and experimental activities during M.Tech for the development in power electronics based system with concluding understanding; knowledge and experience with technical software/tools for the simulation studies. Knowledge of Photovoltaic system and storage system such as battery and ultracapacitors. Candidate should have conducted electrical machine laboratory and power electronics laboratory as a TA work.

Fellowship

Rs. 25,000p.m. (Consolidated)

Duration

Maximum duration of the project is 18 Months. At the beginning assignment will be for six months, which can later be extended every six months up to completion of project. The extension shall be solely based on satisfactory performance.

How to apply

Completely filled, duly signed application form must be submitted as per the template provided on the link given below via email or by post to the address as mentioned below by **December 10, 2018**. Shortlisted candidates will be intimated through email by **December 10, 2018**. Shortlisted candidates will have to report for interview on **December 19, 2018** (9:00AM) in Electrical Engineering Department, VNIT Nagpur. Application forms can be downloaded from the institute website.

Note

1. No TA/DA will be paid to appear for interview.
2. Decision of Director VNIT Nagpur will be the final in all respect.
