A National Conference on Intra- and Inter-Disciplinary Blend of Chemical Engineering

ORGANISED BY

Department of Chemical Engineering, VNIT, Nagpur
NIT Agartala
&

Samrat Ashok Technological Institute, Vidisha

SPONSORED BY: TEQIP - III

VENUE

Department of Chemical Engineering,
Visvesvaraya National Institute of Technology,
South Ambazari Road, Nagpur - 440010

ABOUT VNIT

Visvesvaraya National Institute of Technology, Nagpur is one of the thirty National Institutes of Technology in the country. Since its inception in the year 1960, it has remained at forefront of engineering education in the country. The Institute runs 9 UG and 21 PG courses apart from the PhD programs in the area of Engineering, Architecture and Science.

ABOUT DEPARTMENT OF CHEMICAL ENGINEERING, VNIT

Established in 2006, the Chemical Engineering Department is ranked among one of the best departments in India. The department offers a UG programme to inculcate industrial approach in students and PG programme which exposes students to research and technology for the future. Our department is known for its excellence in research activities focussing on the traditional Chemical Engineering as well as emerging research areas with active collaborations with industries, societies and leading academic institutes in India and abroad.

ABOUT THE CONFERENCE

"CHEMIX" would present altogether a new idea of ideological fusion of Chemical Engineering concepts with other disciplines of Science and Engineering. The conference aims to develop and discuss a brief prospectful applications of different developments/research that are taking place in the world of Chemical Engineering and collaborating with other disciplines.

We cordially invite technologists, students, teachers, researchers, industrial practitioners and other government organisations to participate in the Chemical Engineering Conference on Intra and Inter-Disciplinary blend of Chemical Engineering.
