

**Department of Metallurgical & Materials Engineering,
Visvesvaraya National Institute of Technology, Nagpur**

JRF Advertisement

Applications are invited from motivated and eligible candidates for the position of Junior Research Fellow (JRF) in a SERB funded Research project titled **“To develop Biocompatible materials with a wide supercooled liquid region in bulk metallic glass systems”**.

Essential Qualification:

- (i) M.Tech./M.E. degree in Metallurgy/Materials/equivalent streams
OR
- (ii) B.Tech./B.E. degree in Metallurgy/Materials Engineering with a valid GATE score or M.Sc Degree in Physics.
OR
- (iii) Ph.D. in Metallurgy/ Materials Engineering

Desirable Qualification: Candidates with experimental background with hands on experience in synthesis and characterizing of materials are encouraged to apply.

Stipend: Rs 31,000 p.m. (consolidated)

Duration: The assignment will be initially for six months which is extendable up to 3 years solely based on satisfactory performance.

How to Apply: Interested candidates are requested to submit a detailed CV (highlighting the exposure they have in the desired areas) and relevant certificates/evidences by post and/or email to the below address latest by **July 15, 2020**. Complete information with regard to GATE score such as: year of passing, discipline, score, marks, All India Rank and number of candidates appeared should be mentioned in the CV. Incomplete applications will be rejected.

Dr. Jatin Bhatt

Associate Professor

Department of Metallurgical & Materials Engineering,

Visvesvaraya National Institute of Technology,

South Ambazari Road, Nagpur-440010.

E-mail: jatin1411@yahoo.com, jatinbhatt@mme.vnit.ac.in

Note: Only short-listed candidates will be intimated by email and will have to appear for an interview on the date as communicated through email. **No TA/DA will be paid for appearing in the interview.** The decision of the **Director, VNIT Nagpur** will be final in all respect.
