Diamond Jubilee 2020

June 1, 2020

NOTE:

Attention: Final year students of S/2020.

Dear Students,

You are aware that the Institute Senate in its 57th meeting held on 16th May 2020 after due discussion and keeping in mind the interest of the students, decided the procedure to evaluate the final year students performance, based on three components (i. First mid sessional examination : 30%, ii. Teachers assessment including online assignment: 40%, iii. examination through electronic mode : 30%). The procedure is in line with suggestions given by the student council as per option A (only 30% weightage to online exams & other) and also followed by many of the NITs. It also serves the interest of the final year students.

You are also aware that as per the normal academic procedure of the Institute, it is necessary for the students to appear for the end semester examination to complete the evaluation process. However, in the present difficult situation, if

- i) A student is not in a position to appear for online examination / examinations due to health ground / cyclone/ earthquake/ heavy rainfall etc. and/or
- ii) A student is not in a position to complete his/her online exam procedure (complete in all respect i.e. from log in till the online submission of the answer sheets) due to any technical problems like internet connectivity / power failure etc.

then in both the situations mentioned above, the student is required to make a request to the DEC / course coordinator / HoD immediately through Mail / SMS / Whatsapp / Phone / Mobile etc. with suitable documentary evidence (pictures, screenshot etc.)

Considering the COVID-19 unprecedented situation, the request of all such students will be considered sympathetically and they will be allowed to appear for second online examination which will be held soon after the completion of the first online examination. As a special case, this will not be considered as additional attempt by the student.

As regard the submission of the hard copies of the answer sheet, it can be submitted whenever you or your friends are coming to the Institute for the purpose of collecting provisional certificate, TC & luggage.

Dear Students, the Institute is with you in this difficult time & assure you that your health & academics will be the Institute's top priority, while considering any unforeseen situations which are beyond your control.

The course coordinators are advised to set the question papers considering the limitations of online teaching. The students can contact DEC / course coordinator / HoD in case of any difficulty.

Director & Chairman Senate
