**NOTE:**

Dear Parents,

Wish you & your family a good health.

1. Please note that, the Senate, after considering directives from MHRD, views of students council & all Pros & Cons, has taken the decision to conduct the end semester exam through electronic mode with 30% weightage.
2. Almost all the NITs are also following similar methodology of evaluation. The decision will prove beneficial to the VNIT students in a long run with this formal evaluation, at least, they will not be put any disadvantage compared to their contemporaries.
3. As regards to your concern, after due discussion with the Deans, HoDs & also student council members, Hon'ble Director has already issued a note dated 1<sup>st</sup> June 2020 for the final year students of S/2020 which is available on the Institute website. The Institute reiterates that students health & academics is our top priority while considering any unforeseen situation which are beyond their control.
4. Please keep informing the DEC/HoD/Course coordinator about your difficulties. Appropriate solution can be arrived at.
5. We all will put our team efforts to ensure that the evaluation is completed as per the schedule and the Provisional Degree Certificates & Leaving / Migration Certificates can be issued by 31<sup>st</sup> July 2020.
6. All stakeholders are requested to cooperate with the Institute is conducting the online examination of the final year students of S/2020.
