Dean (Acad)/ 67

Date :

04 JUN 2020

NOTE:

Hello students,

Hope you all are doing well. I wish you and your family a very good health.

In view of COVID-19 pandemic & subsequent lockdown till date, all the academic activities on campus for the session S/2020 are temporarily closed since mid March 2020. During this period, the faculty members & the students remained in contact with each other through whatever mode of communication. Dear students, from today the faculty members have joined the Institute after vacation. It is rather painful to see the empty roads of the Institute and that the main pillar of the Institute - the students, are not there.

As confirmed by all the respective HoDs & the faculty members, I am happy to note that all students have submitted the assignments given to them, in time. I am also happy to note that you have taken this evaluation positively & seriously. Let's do the online end sem exam also with same the vigour. Since all of you have submitted the assignments through internet connectivity, the same can be used for the examination.

Dear students, VNIT is an student friendly Institute that always looks for the welfare of the students:

- i) In order to safeguard the interest of the students, the Senate, in its 57th meeting, decided 30% weightage to the end semester examination to be conducted through electronic mode.
- ii) All stake holders, including parents, are requested to cooperate with the Institute in conducting the end sem examination through electronic mode. It will prove beneficial to the VNIT students in a long run. With this formal evaluation, at least, they will not be put to any disadvantage compared to their contemporaries. Without your cooperation, success of the evaluation process is not possible.
- iii) In this difficult time the Institute is with you. Your health & academics will be the Institute's top priority, while considering any unforeseen situations, which are beyond your control. Please keep the DEC/HoD/Course coordinator informed about your difficulties.
- iv) The T&P department has contacted all the companies and requested them to postpone your joining dates. Also, for unplaced students, we are in contact with the companies.

The online examination will be over by 2nd July 2020 & we are planning to keep ready for distribution, the Provisional Degree Certificate (PDC) & the Leaving/Migration Certificate (L/MC) by 31st July 2020. Delay in the examination process will cause further delay in the issuance of PDC & (L/MC).

Wishing you best of luck for exams and a good health.

Dean (Academic)
