

Visvesvaraya National Institute of Technology, Nagpur

Ph. D. Admissions January 2023

Under

Visvesvaraya Ph.D. Scheme of Ministry of Electronics and Information Technology (MEITY),

Government of India

Along with the regular Ph. D. admissions in the institute, the institute also has one Ph.D. position each for the Electronics and communication Engineering Department, Computer Science and Engineering Department and Electrical and Electronics Engineering Department under the MEITY. The candidates working under the scheme has to work in the specialized, thrust and high priority areas of the Scheme under MEITY. The research areas are mainly under core areas of Electronics, Information Technology, all AI and ML areas and applications. The detailed norms and rules of the 'Visvesvaraya Ph.D. Scheme of Ministry of Electronics and Information Technology (MEITY)', are available on the web site of the scheme: www.dic.gov.in and <https://phd.dic.gov.in/>.

The formats for applying under the scheme and entrance test are exactly same as the regular Ph.D. admissions January 2023 at VNIT Nagpur. The candidates should indicate the '**Willingness to work under the Visvesvaraya Ph.D. Scheme**', by writing further, "**Willing to work under the Visvesvaraya Ph.D. Scheme**", in front of name of the department of interest. Such Candidates will tick '**CAT.4**' on the first page of the application under '**Admission Category**'. The candidates who have already applied and submitted the application, can indicate their willingness at the time of their interviews after clearing the admission test if any. The respective departmental admission committee and the institute coordinator are empowered to consider the candidates for admission under the scheme on the basis of the **area of work, technical suitability and merit**.

The copy of the **Terms and conditions** of the scheme are available on the institute website in the Ph.D. admissions January 2023 link.
