

VISVESVARAYA NATIONAL INSTITUTE OF TECHNOLOGY, NAGPUR

Exam /Regn W-24/933

March 18, 2024

19

**Note**

**Sub: Registration for OC/HM courses for the Session Winter 2024**

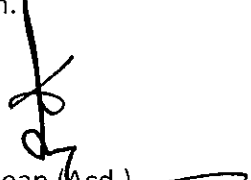

Registration to the all OC / HM course will be done via Google form on first cum first serve basis. Schedule / important dates are as follows:

Commencement of registration through Google form : 26/03/2024 at 10.30 A.M.  
Closing of Google Form : 07/04/2024 at 05.00 P.M.  
Declaration of allotment (tentative) : 11/04/2024 at 12:00 P.M.

**Important note:**

- List of various courses offered for Winter 2024 is enclosed with this notice.
- Registration for various OC/HM courses will be done on First cum First Serve Basis via Google Form. There are separate Google Forms for each course (details would be notified in due course of time).
- **Students have to register on Google Form using VNIT email ID only (xxxxx@students.vnit.ac.in)**
- For every OC or HM, course maximum number of students to be allowed is mentioned against individual course.
- Registration for the above-mentioned courses via Google form shall be final and will not be change / modified further.
- Registration of OC/HM courses is **NOT** link with the payment of fee.
- A student can register for maximum **ONE OC** or **ONE HM** course, in a semester.
- Registration done for OC or HM type course shall not be changed or cancelled in any circumstances.
- If it is found that, a student has registered in 2 or more OC/HM courses, his / her name will be deleted from all the OC/HM courses. Requests for consideration in such cases will not be entertained.
- If it is found that, a student filled an OC / HM Google form and he / she is not eligible for that OC / HM as per the conditions mentioned in the OC / HM notice, his / her name will be deleted from that OC/HM course.

- AWR Students / Extra Year students are also instructed to follow the above procedure. Prevailing practice of allocating OC / HM courses at the time to registration to such students is discontinued. Request for allocation / allotment of OC / HM courses at the time of AWR Registration will not be entertained.
- A student can earn maximum 12 credits for OC & maximum 6 credits for HM (Excluding 5 credits of 1<sup>st</sup> Year HM / HU Courses) during his/her program of study, however total credit can be earned for OC + HM Courses should not be exceeded 12 Credits (during the complete duration of course).
- If a student is already registered or completed any OC / HM course in Summer 2024 session, He / She is requested to check the overall credits (requirement) completed for OC / HM and then take / register for OC / HM Course in Winter 2024.
- The registration for "IDL401" course will be done offline separately by the course coordinator. Option for this course will be not available in Google form. If it is found that, a student has register for these courses and also filled an OC / HM Google form then his / her name will be deleted from all the OC/HM courses, including IDL401.
- The allotment of OC / HM Courses for Winter 2024 will be done by Exam Section directly in the students AIMS login. Students are requested to check the OC / HM allotted list displayed on VNIT Website for final allotment and further select the remaining course(s) for the Winter 2024 session.
- All Faculty Advisor are request to check the OC / HM allotted list displayed on VNIT Website for Winter 2024 OC / HM allotted to their students. If any of their students are allotted with OC / HM course, then all Faculty Advisor are requested to check for registration of remaining courses along with the selected OC / HM Course. All Faculty Advisor are requested not to APPROVE a single selected OC / HM Course, approval must be given to OC / HM course along with all other selected courses.
- No offline requests for these OC or HM courses will be taken into consideration.
