

VISVESVARAYA NATIONAL INSTITUTE OF TECHNOLOGY,
NAGPUR – 440 010 (INDIA)

DEPARTMENT OF TRAINING & PLACEMENT

Dr. K.M. Bhurchandi
Associate Dean

Dear Sir/Madam,

As you are aware, Visvesvaraya National Institute of Technology (VNIT), Nagpur has played a significant role in providing technical manpower and knowhow to the country and in the pursuit of research since its establishment in the year 1960 as the erstwhile Visvesvaraya Regional College of Engineering (VRCE), Nagpur.

VNIT ranked 27th in the National Institutional Ranking Framework (2020), conducted by the Ministry of Human Resource & Development recently. VNIT has contributed to all sectors of technological development, and currently holds the status of being an Institute of National Importance as per Act of Parliament (National Institutes of Technology Act, 2007 (29 of 2007)).

The Institute offers strong and comprehensive bachelor's degree courses in 9 disciplines in Engineering and Architecture, 20 Post-Graduate degree courses in Engineering, along with Post-Graduate degree courses in Pure Sciences. A list of the available courses is attached herewith. Various courses have been accredited recently in 2015 by the National Board of Accreditation (NBA), New Delhi. The Institute also offers Doctoral Research in various departments.

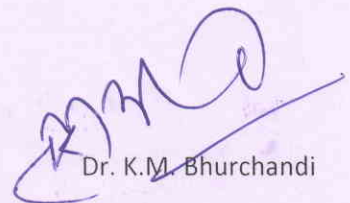

The Institute admits students to B.Tech and M.Tech courses through the Joint Entrance Examination (JEE-Mains) and GATE respectively, conducted all over India. Detailed information on the panorama of activities and initiatives can be seen on our website www.vnit.ac.in.

Through the excellence of its academic programmes, the strength of its faculty and support services, and the range of students' activities, the Institute provides opportunities for the best possible and all-round development of all students from diverse backgrounds. VNIT is a preferred academic institution for a large number of organizations for recruiting B.Tech and M.Tech graduates. More than 150 organizations participated in the Campus placements and internships drives in the year 2020-21.

It is great privilege to invite you to visit our Institute for Campus placement for final year UG & PG students passing out in June 2022 and provide them an opportunity to demonstrate their capabilities, and professional readiness to get inducted in your organisation. We shall be thankful if you can induct pre-final year UG & PG students for internship opportunity at your esteemed organisation. The Institute has adequate infrastructure to support every stage of the placement process viz. arrangements for pre-placement talks, written/online tests, interviews, and group discussions, etc. as per the requirements of the visiting Organizations. The Institute can also facilitate online conduction of the process.

We look forward to engage with your esteemed organization for campus placements. A line of confirmation from your side would help us plan ahead.

Thanking you,

Dr. K.M. Bhurchandi

COURSES OFFERED

UNDERGRADUATE COURSES	B.TECH	Intake
	Chemical Engineering	92
	Civil Engineering	92
	Computer Science and Engineering	136
	Electronics and Communication Engineering	136
	Electrical and Electronics Engineering	136
	Mechanical Engineering	136
	Metallurgical and Materials Engineering	92
	Mining Engineering	40
	B.,ARCH	62
	POST GRADUATE COURSES	M.TECH
Environmental Engineering		20
Water Resources Engineering		20
Construction Technology and Management		20
Transportation Engineering		20
Geotechnical Engineering		20
VLSI Design		25
Communication System Engineering		25
Computer Science Engineering		25
Industrial Engineering		25
Heat Power Engineering		25
CAD-CAM		25
Intergrated Power Systems		25
Power Electronics and Drives		25
Materials Engineering		25
Process Metallurgy		25
Structural Dynamics and Earthquake Engineering		25
Structural Engineering		25
Urban Planning		25
Excavation Engineering		25
Chemical Engineering		25
M.Sc		Intake
M.Sc Physics		25
M.Sc Chemistry		25
M.Sc Mathematics		25
