Dear Sir/Madam,

As you are aware, Visvesvaraya National Institute of Technology (VNIT), Nagpur has played a significant role in providing technical manpower and knowhow to the country and in the pursuit of research since its establishment in the year 1960 as the erstwhile Visvesvaraya Regional College of Engineering (VRCE), Nagpur.

VNIT ranked 30<sup>th</sup> in the National Institutional Ranking Framework (2021), conducted by the Ministry of Human Resource & Development recently. VNIT has contributed to all sectors of technological development, and currently holds the status of being an Institute of National Importance as per Act of Parliament (National Institutes of Technology Act, 2007 (29 of 2007)).

The Institute offers strong and comprehensive bachelor's degree courses in 9 disciplines in Engineering including Architecture, 21 Post-Graduate degree courses in Engineering, along with Post-Graduate degree courses in Pure Sciences. A list of the available courses is attached herewith. Various courses have been accredited recently in 2015 by the National Board of Accreditation (NBA), New Delhi. The Institute also offers Doctoral Research in the related areas.

The Institute admits students to B.Tech and M.Tech courses through the Joint Entrance Examination (JEE-Mains) and GATE respectively, conducted all over India. Detailed information on the panorama of activities and initiatives can be seen on our website [www.vnit.ac.in](http://www.vnit.ac.in).

Through the excellence of its academic programmes, the strength of its faculty and support services, and the range of students' activities, the Institute provides opportunities for the best possible and all-round development of all students from diverse backgrounds. VNIT is a preferred academic institution for a large number of organizations for recruiting B.Tech and M.Tech graduates. More than 260 organizations participated so far in the Campus placements and internships drives in the year 2021-22, while 20 companies are in pipeline.

## Continuation Sheet

It is great privilege to invite you to visit our Institute for Campus placement for final year UG & PG students passing out in June 2023 and provide them an opportunity to demonstrate their capabilities, and professional readiness to get inducted in your organisation. We shall be thankful if you can also induct pre-final year UG & PG students for internship opportunity at your esteemed organisation. The Institute has adequate infrastructure to support every stage of the placement process viz. arrangements for pre-placement talks, written/online tests, group discussions and interviews, etc. as per the requirements of the visiting Organizations. The Institute can also facilitate online conduction of the process.

We look forward to engage with your esteemed organization for campus placements. A line of confirmation from your side would help us plan ahead.

Thanking you,

Asso. Dean, Training and Placement  
Dr. Kishor M. Bhurchandi

### POST GRADUATE COURSES

Mining Engineering	33
Bachelor in Architecture	30
CSE	30
Communication System Engineering	30
VLSI	30
Integrated Power	30
Power Electric	30
EAD-CAM	30
Engineering and Technological Science	30
Heat Power Engineering	30
Industrial Engineering	30
Structural Dynamics Engineering	24
Structural Engineering	22
Construction Technology and Management	37
Environmental Engineering	30
Geotechnical Engineering	30
Transportation Engineering	15
Water Resource Engineering	18
Urban Planning (Town Planning)	20
Chemical Engineering	07
Metallurgical Engineering - Process Metallurgy	02
Excavation Engineering	06
Physics	18
Chemistry	20
Mathematics	19

**COURSES OFFERED**

Programme and Branch		Intake
<b>UNDERGRADUATE COURSES</b>	<b>B.TECH</b>	
	Computer Science and Engineering	123
	Electronics and Communication Engineering	123
	Electrical and Electronics Engineering	116
	Mechanical Engineering	117
	Civil Engineering	117
	Chemical Engineering	114
	Metallurgical Engineering	101
	Mining Engineering	43
	Bachelor in Architecture	62
<b>POST GRADUATE COURSES</b>	<b>M.TECH</b>	
	CSE	24
	Communication System Engineering	21
	VLSI	18
	Integrated Power System	22
	Power Electronics and Drives	20
	CAD-CAM	20
	Engineering Applied to Medical Sciences	5
	Heat Power Engineering	17
	Industrial Engineering	15
	Structural Dynamics and Earthquake Engineering	24
	Structural Engineering	22
	Construction Technology and Management	17
	Environment Engineering	10
	Geotechnical Engineering	19
	Transportation Engineering	19
	Water Resource Engineering	18
	Urban Planning (Town Planning)	20
	Chemical Engineering	07
	Metallurgical Engineering - Process Metallurgy	02
	Excavation Engineering	06
	<b>M.Sc</b>	
	Physics	18
Chemistry	20	
Mathematics	19
