Visit to Samrat Ashok Technological Institute, Vidisha (MP) under TEQIP-III Twinning Program

As per the approval by Director sir, I have visited SATI, Vidisha (M.P.) under TEQIP-III Twinning Program on 29 Jun 2018. During the visit following points were discussed in the interaction/meeting held with the faculty members and PG students of Electrical Engineering Department of SATI, Vidisha (M.P.). Prof. S. P. Phulambrikar, HOD, EE, SATI Vidisha and other faculty members were present during the interaction/meeting.

1. How to increase/improve research development environment including publications
2. Initiative to be taken for faculty exchange for research and development and Laboratory development
3. Status review of student exchange for their M. E. dissertation
4. Initiative for joint research work
5. Guidance on E-Mobility (Power Electronic Converter area)
