About the Institute

Visvesvaraya National Institute of Technology, Nagpur is one of the thirty National Institutes of Technology in the country. The Govt. of India conferred on the Institute, the Deemed to be University status (under University Grants Commission Act, 1956 (3 of 1956)) with effect from 26th June 2002. Subsequently, the Central Govt. by Act of Parliament (National Institutes of Technology Act, 2007 (29 of 2007)) declared VNIT Nagpur as an Institute of National Importance along with all other NITs. The Act was brought into force from 15th August 2007.

The institute is easily accessible and well connected within 5-8 km (15-20 min) from the Airport/ Railway Station/ Central Bus Station.

About the Department

The Department of Civil Engineering is one of the finest and oldest engineering departments of the Institute and stands with an immortal reputation. The department was formed along with the Institute itself and therefore is as old. The Department has highly educated and well experienced faculty members who endeavour to produce the finest engineers, contributing to the growth & prosperity of the nation.

The alumni of the department are widespread in India and abroad, occupying high positions in their respective fields. It has an intake of 92 students per year under UG Course and 60 per year under PG Courses. The department presently offers PG courses in four disciplines of Civil Engineering - Environmental Engineering, Water Resource Engineering, Construction Technology Management and Transportation Engineering.

## One Week Short Term Training Course

on

Road Safety Audits
and
Road Safety Awareness – 2018

08 – 12th December 2018

Call for Participation

Organized by
Civil Engineering Department
Visvesvaraya National Institute of Technology,
Nagpur-440010, Maharashtra, INDIA

Course Objectives

The main objective of this training course is to demonstrate the procedures involved in road safety audits and to enable the participants to be able to conduct road safety audits by themselves. It would create awareness about road safety and the importance of road safety audits to reduce road accidents in the country among practitioners and enable them to construct safer roads. The students can get an opportunity to understand and explore road safety audits and construction materials. This would instigate young minds to dwell deeper into road safety issues and formulate research problems for improving road safety. The course will be conducted by Faculty members of VNIT and other Experts and held in the Department of Civil Engineering, Visvesvaraya National Institute of Technology, Nagpur.

Course Contents

The broad contents of the course are as follows:
• Road Safety in India
• Automatic Road Survey System (ARSS)
• Designing for Safety: Road Link Design
• Stages of Road Safety Audits
• Speed and Hazard Management
• Street Lighting & Traffic Signals
• Road Signs & Road Markings
• Traffic Surveys
• Black Spot Identifications & Remedial Measures
• Road Crash Investigation
• Practical Road Safety Audits

Eligibility of Participants

Faculty members, UG, PG students, research scholars from various colleges, polytechnics and persons from industries, Government bodies are eligible to participate.

Registration Fee

There is no fee for this course. The accommodation, breakfast and dinner during the course is to be arranged by the participants by their own. The high tea and lunch will be provided by the organizers.

For out station participants, suitable accommodation may be arranged in Institute guest house (twin sharing) on payment basis and based on availability during the said period. The participants should make their own arrangements for travel for attending the proposed course.

The number of participants for the programme is limited to 40 on first come first serve basis. The registration form duly filled should be sent by email/post to the organizers at the earliest.

For submitting the duly filled registration forms and for any other enquiries, please write to us at the following email address:
Email ID: roadsafety.vnit@gmail.com

Programme Faculty

Apart from the Organizing Committee members from the host institutes, scientists & faculties from reputed institutes like CSIR Labs, IITs, NITs are likely to deliver their expert lectures and hands-on training.

Important Dates

The course will be held from 08th to 12th Dec, 2018. The duly filled registration form may be sent either as an email attachment to the email IDs given below or as a hard copy at the earliest. The selected applicants will be communicated by an email.
