This workshop is part of SERB - Scientific Social Responsibility (SSR) Policy aimed at mentoring faculty/researchers and the academic community. This workshop will provide valuable insight on developments in research activities related to the environmental issues. Key challenges and the opportunities in these areas will also be explored.

### Events

Specialised Lectures and Lab/field visits on the themes of Earth, Water, Fire, Air and Space.

*We cordially invite faculty members of nearby colleges/Institutes to participate in the Workshop.*

### No Registration fees

Certificate will be provided on successful completion of workshop

Number of participants: 25

Strictly restricted by first-come-first-serve-basis.

### Registration Procedure

The interested participants are requested to complete online registration form using link <https://forms.gle/w0B3m2ufvhweXVFN6> or scan the QR code

### Important Dates

Registration start: 10:00 AM, 23<sup>rd</sup> November, 2023  
Deadline of Registration: Upto 5:00 PM, 28<sup>th</sup> November, 2023
